The guidelines for submitting a notice of motion to a Council meeting are included in the current Meeting Procedure Local Law.

3.1 Notice of Motion No.71 - Springvale North-East Quadrant

File Id:

Responsible Officer: Director Engineering Services

Author: Cr Sean O'Reilly

Preamble

Since the upgrade of Springvale Railway station, growing numbers of residents have found it highly difficult to exit the quadrant north-east of Springvale Railway Station. This is due to the lack of signalisation. Residents can **only** choose to exit this residential area via:

- right turn into the busy Lightwood Road (with no signalisation)
- right turn into the busy Springvale Road (with no signalisation)

This presents serious safety risks, particularly during peak times. A recent fatality at the intersection of Rosalie St and Springvale Road has highlighted the importance of gaining a better understanding of road safety and traffic issues in this precinct.

Motion

That:

1. **Council commences advocacy to State and Federal Governments seeking funding to address the current and expected future traffic issues in the Springvale north-east quadrant;**

2. **the Mayor writes to local Members of Parliament and the State Minister for Roads seeking funding support; and**

3.1 Notice of Motion No.71 - Springvale North-East Quadrant (Cont.)

3. a report be presented to Council no later than 30 September 2019 that outlines an evidence base for advocacy of this issue to VicRoads and Victorian MPs, including;

    a population growth forecast;

    traffic analyses;

    traffic growth forecasts;

    surveys of local residents about their experiences; and

    recommended options and estimated costs to remediate issues.
